EXISTING CONDITIONS & COMMUNITY SURVEY RESULTS

Triangle Park Improvements Project

November 16, 2025

Common Ground Forest Park conducted an online survey that was shared with the community to identify how people use the park, concerns over current conditions and the community wishes for future improvements.

Below is a snapshot of what we heard from the community through this process. The conceptual plan was developed from this input. Please let us know your thoughts and what may be missing!

WHAT WE HEARD...

COMMENTS

TOP PRIORITIES

- OPEN GREENSPACE
- PLAYGROUND
- PAVILION
- PICNIC AREA
- BATHROOMS
- WALKING PATH

TOP EXISTING CONCERNS

- EQUIPMENT MAINTENANCE
- SITE MAINTENANCE
- SAFETY
- ACCESSIBILITY
